Microsemi Corporation

Product Discontinuance Notification: 2018-006

Subject: Obsolescence of Various 2N6249, 2N6250 and 2N6251 Family – Microsemi is announcing the discontinuance of select products that are currently being offered by Microsemi Discrete Product Group (DPG). The products affected by this PDN are being discontinued and will no longer be available from Microsemi.

Reason for Discontinuance: The obsolescence of these products is due to manufacturing issues.

Microsemi apologizes for any inconvenience this situation may cause our customers, but unfortunately the normal last time purchase & last time shipment periods can not be offered. Customers should contact their Microsemi sales representative as soon as possible to discuss how Microsemi may be able to support specific customer needs with the limited remaining product inventories.

Customer Impact: These devices are being removed from Microsemi's product offering and will no longer be available for order. Some PDN products are limited in availability due to material shortages. Orders will be supported on a first-come-first-serve basis and are non-cancellable and non-returnable. All other Microsemi Standard Terms and Conditions apply to the LTB order (see: https://www.microsemi.com/company/terms-and-conditions)

Replacement Parts: There will be no replacement part

Last Order Date: N/A
Last Shipment Date: N/A
