

Microsemi Corporation

April 4, 2018

Product Discontinuance Notification (PDN) No: 311809**Subject: Obsolescence of ZL70120MNG****Description:**

Microsemi is announcing the discontinuance of the ZL70120MNG MICS Base Station Module.

Reason for Discontinuance:

The decision to discontinue these products was driven by obsolescence of third party components within the module that is beyond Microsemi's control.

Please note: Microsemi has released a new product ZL70123MNG which is recommended for all new designs.

Customer Impact:

These products are being removed from the Microsemi's product offering and will no longer be available for order after October 1, 2018.

Replacement Parts:

There are no direct replacement products. Microsemi has released a new product ZL70123MNG which is recommended for all new designs.

Please contact your local Microsemi Sales Office for more information on these products.

Last Order Date: October 1, 2018

Please note that all orders must be booked as non-cancelable, non-returnable (NCNR) by no later than October 1, 2018. No new orders will be accepted after this date. Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

Last Shipment Date: April 4, 2019

Microsemi will continue to ship last-time-buy orders as requested only through April 4, 2019. Product orders must be scheduled to ship no later than this date.

Products Affected by this Discontinuation:

ZL70120MNG

Note: This is a list of Ordering Part Numbers (OPNs) as are found in product datasheets. Customers may track additional part number variants in their systems, so please consider this a base part list.
