

NOTICE

April 1, 2009

To: Customer;

Obsolescence Notice:

Product Number	Description	Last Time Order Date	Last Ship Date
MT88L89AP	3V DTMF Transceiver (28 Pin PLCC package)	September 28, 2009	March 31, 2010

This Notice only affects one specific Package Option.

The MT88L89AP (28 Pin PLCC) will no longer be offered due to package supply constraints. The other popular package option for the MT88L89 is still available: 20 Pin SOIC. Please see website www.Zarlink.com for ordering information.

Leaded device maybe subjected to on hand inventory availability. Zarlink will endeavor to fulfill all customer orders against the above part numbers, however Zarlink reserves the right to limit the order qty and/or modify final ship qty in the event that unforeseen manufacturing issues should occur.

A last time order is in effect until September 28, 2009. Deliveries can be scheduled up to March 31, 2010. No orders will be accepted after the last time order date. Orders are "Non Cancelable".

Zarlink thanks you for your valued business and hopes that our innovative new products will find their way into yours.
