

# NOTICE

April 05, 2007

## **Obsolescence Notice:**

| Product Number | Description                | Last Time Order Date | Last Ship Date |
|----------------|----------------------------|----------------------|----------------|
| MT9072AB       | T1/E1/J1 3.3V Octal Framer | October 06, 2007     | April 06, 2008 |

### **This Notice only affects one specific Package Option.**

The MT9072AB (208 pin LQFP) is being phased out due to package supply constraints. The other popular package options for the MT9072 are still available: 220 Pin leaded LBGA (AV), and 220 Pin pb-free PBGA (AV2)

Please see website [www.Zarlink.com](http://www.Zarlink.com) for ordering information.

A last time order is in effect until October 6, 2007. Deliveries can be scheduled up to April 6, 2008. No orders will be accepted after the last time order date. Orders are "Non Cancelable", No Stock Rotation". (Stock rotations for stock ordered prior to this Notice is permitted in accordance with your Distribution Agreement with Zarlink).

Please note that after 90 days of this Notice date these devices may no longer be returned in accordance with your Distribution Agreement. Any devices returned to us after that date (and accepted by us as being faulty and returned to Zarlink within the appropriate guarantee period) will be credited and not replaced.
