

## Microsemi Corporation

January 8, 2020

**Product Discontinuance Notification#:** PDN19025

### Subject

Last-Time Buy for MPF300-VIDEO-KIT

### Description

Microsemi is announcing a last-time buy for the 'S' PolarFire Video Kits (MPF300-VIDEO-KIT).

### Reason for Discontinuance

The 'S' PolarFire Video Kit (MPF300-VIDEO-KIT) is being discontinued due to the introduction of the 'Non S' PolarFire Video Kit with production silicon (MPF300-VIDEO-KIT-NS).

### Customer Impact

The current 'S' PolarFire Video Kit (MPF300-VIDEO-KIT) with silicon (MPF300TS-1FCG1152I), is a security-enabled device. Customers can order these kits, but no more 'S' kits will be manufactured.

Customers are required to use the 'Non S' PolarFire Video Kit (MPF300-VIDEO-KIT-NS) with the 'Non S' silicon (MPF300T-1FCG1152E), a standard non-security-enabled device for all new designs.

'S' devices include an integrated, DPA-safe crypto accelerator. All designs that require this module will not function on the 'Non S' PolarFire Video Kit. The PolarFire Evaluation Kit (MPF300-EVAL-KIT) is available for designs requiring the crypto accelerator.

### Replacement Parts

The replacement product for MPF300-VIDEO-KIT is MPF300-VIDEO-KIT-NS.

### Last Order Date: January 22, 2020 (or until inventory is depleted)

All orders must be booked as non-cancelable, non-returnable (NCNR) by the last order date. Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far in advance of the order deadline as possible. Acceptance of last-time-buy orders is subject to product availability and at the discretion of Microsemi Corporation. Every effort will be made to fulfill these orders. The inventory is limited, so orders will be taken on a first-come, first-served basis.

### Last Shipment Date: Within 30 days of last order

### Products Affected by this Discontinuance

MPF300-VIDEO-KIT

## Contact Information

Microsemi SoC Products Group

For non-technical questions (ordering, availability, and so on), contact [FPGA.CS@microchip.com](mailto:FPGA.CS@microchip.com)

For technical questions related to this kit, raise a technical support request at <https://soc.microsemi.com/Portal/Default.aspx>

## Regards,

Microsemi Corporation

Any projected dates in this notification are based on the most current product information at the time this PDN is being issued, but they may change due to unforeseen circumstances. For the latest schedule and any other information, please contact your local Microsemi Sales Office, the factory contact shown above, or your local distributor.

This PDN is confidential and proprietary information of Microsemi and is intended only for distribution by Microsemi to its customers, for customers' use only. It must not be copied or provided to any third party without Microsemi's prior written consent.
