

CN18013A: Tariffs on Products from China

April 1, 2020

Description

On August 23, 2018, Microsemi SoC Corp. implemented a Tariff and Handling Fee, which was put in place as a result of the US Trade Representative (USTR) increase on import tariffs for products from China.

Customer Impact

Effective April 1, 2020, Microsemi SoC Corp. will cease collecting this Tariff and Handling fee from our customers as a separate line item on invoices. Instead, we will be collecting these additional import taxes in other ways, including (but not limited to) the recently announced Legacy Price Increase (CN20001).

Contact Information

For further information about the impact on Microsemi customers, please contact our Customer Service Department.
