Subject: Product Discontinuation Notices

Dear Valued Customer,

The intent of this letter is to inform you of the Actel decision to obsolete the part numbers contained in Appendix A.

This letter serves as your notice that you will have 12 months, or until supplies are exhausted, whichever comes first, in which to place last time buys. You will have an additional 6 months to take receipt of that product. The key dates for the last time buy are as follows:

Last date for placing orders: October 31, 2006, or until supplies are exhausted, whichever comes first

Last date for shipping orders: April 30, 2007

Please make every effort to place last time buy orders in a timely manner and do not wait until the last moment to place orders. If you anticipate that your last-time buy requirements will exceed the current run rate, for specific devices, please provide your Actel Sales Representative with a forecast of the requirements.

Products may be limited in availability. Orders will be supported on a first come, first serve basis. Orders for these products will be non-cancelable and non-returnable.

Should you have any questions, including product recommendations, please do not hesitate to contact your Actel sales Representative.

Regards,

Actel Corporation
