Subject: Socket Discontinuation from Price List

Dear Customer,

This letter is to inform you of Actel's decision to remove the sockets contained in Attachment A from the price list, effective immediately. The part numbers affected are still active and can only be purchased directly from the manufacturer. Please see vendor contact information listed below. Actel will continue to provide technical support for these affected sockets.

Should you have any questions, please contact your local Actel Sales Representatives.

Regards,

Actel Corporation
