Subject: Discontinuation of Hardware Programming Accessories

Dear Customer,

This letter is to inform you of Actel's decision to obsolete several Hardware Programming Accessories listed in Table 1. Inventory continues to exist and will continue to be sold until stock is depleted. Orders will be supported on a first comes, first serve basis. Orders for the products affected will be non-cancellable and non-returnable. For future requirements after stock is depleted, please source directly from the vendor listed below.

Table 1. Affected Part Numbers
