Subject: Product Discontinuation for the CS Packages in the eX Product Families

Dear Customer,

This letter is to inform you of Actel's decision to obsolete the Plastic Chip-Scale packages (CS/CSG) for the eX product family, in both the RoHS compliant and standard devices. The part numbers affected are listed in Table 1. Actel will honor a 12 month period in which to place last-time buy and additional 6 months to take receipt of the products.

The key dates for the last time to buy are as follows:

- Last date for placing orders: June 5, 2010
- Last date for shipping orders: December 5, 2010

Every effort should be made to place last-time buy orders in a timely manner to avoid waiting until the last moment to place orders. If you anticipate that your last-time buy requirements will exceed the current rate, for specific devices, please provide Actel Sales Representative with a forecast of the requirements.

Product may be limited in availability. Orders will be supported on a first come, first serve basis. Orders for the products affected will be non-cancellable and non-returnable.

Table 1. Affected Devices

Device	Package	Temperature	Speed Grade
eX64	CS49/CSG49 CS128/CSG128	C, I, A	Std, -F, -P
eX128	CS49/CSG49 CS128/CSG128	C, I, A	Std, -F, -P
eX256	CS128/CSG128 CS180/CSG180	C, I, A	Std, -F, -P

Should you have any questions, please contact your local Actel Sales Representatives.

Regards,

Actel Corporation
