

March 15, 2001

Attention: Valued Customer

Subject: Product Discontinuation Notification

The intent of this letter is to inform you of Actel's decision to obsolete the part numbers contained in Attachment A.

You will have twelve (12) months in which to place your last time buys and eighteen (18) months to take receipt of that product. The key dates for the last time buy are shown below:

Last date for placing orders: April 1, 2002

Last date for shipping orders: October 1, 2002

Every effort should be made to place your last time buy orders in a timely manner and not wait until the last moment to place your orders. If you anticipate that your last time buy requirements will exceed your current run rate, for specific devices, please provide your Actel Sales Representative with a forecast of your requirements.

Product may be limited in availability. Orders will be supported on a first come, first serve basis. Orders for these products will be non-cancelable and non-returnable.

Should you have any questions, please do not hesitate to contact your [Actel Sales Representative](#).

Sincerely,

Actel Corporation
