PRODUCT CHANGE NOTIFICATION

Date created : **15 February 2013**
Date issued : **12 March 2013**
PCN # : **2013-002**

Product affected: Parts listed in appendix 1 table below

Implementation of change: 01st June 2013

Description of change: P/N Change for Plastic Diodes supplied to HiRel Customers.

Reason for change: Stream line product offerings to better service our customers. This P/N change is necessary to identify the Microsemi controlled product that we will continue to supply in smaller volumes to the Hi Rel – Avionic, Medical and Military Markets.

Note: There will be no change to the actual parts supplied to the high rel customer base – they will continue to be built at the same approved Sub-contractor using Microsemi qualified die and processes.

Test samples available: Please contact you sales representative.
