Subject: Notice of Obsolescence

Microsemi Corp. Scottsdale has made the decision to no longer offer the ESD Polymer Products: TVSF0603, TVSF0805, & TVSF1206 respectively.

We are currently referring customers to contact Cooper Bussman for an equivalent part. For example, Microsemi's TVSF0603 or TVSF0603e3 is Cooper Bussman's part 0603ESDA-TR1.

You can reach Cooper Bussman through their web at www.bussman.com or their customer service phone number 636-527-3877.

Should you have any questions regarding this obsolescence, please feel free to contact me.

Best Regards,
