PRODUCT CHANGE NOTIFICATION

Date created : 15 SEPT 2008
Date issued : 26 SEPT 2008
PCN # : 2008003

PCN # 2008003 : Name change of UPS3540e3

This is to inform you that a design and/or process change will be made to the following product(s). This notification is for your information.

If you have any questions concerning this change, please contact:

Name: Scott Hudson
e-mail: shudson@microsemi.com
Phone: +1 602 757 4288
Fax: +852 3014 5824

PCN Originator:

Name: Scott Hudson
e-mail: shudson@microsemi.com
Phone: +1 602 757 4288
Fax: +852 3014 5824

Product affected : UPS3540e3 powermite 3 Schottky device

Implementation of change : Immediate

Description of change : The name of the product UPS3540e3/TR13 will be changed to UPS540e3/TR13

Reason for change : This change is due to an administrative error wherein the product code UPS3540e3/TR13 was incorrectly named as UPS3540e3/TR13 instead of UPS540e3/TR13. There is absolutely no change in the product at all only the nomenclature. The device is still a 5A, 40V Schottky diode assembled in a Powermite 3 package.

Test samples available : N/A
