Customer Notice (CN) – Action Required

Subject: Synopsys Identify ME license update

Dear Customer,

This notification is to inform users that a new license may be required to run Synopsys Identify ME version 2013.09M SP1, which was released with Libero SoC v11.3.

Description of the problem:

Unexpired Identify ME feature lines in license.dat files created before October 2013 have version 2013.03 or older. If you attempt to run Identify ME 2013.09M SP1, you will see a license checkout error.

Identifying the Problem:

Check the feature line below in the Libero license file:

INCREMENT identdebugger_actel snpslmd *2013.03 or prior*

Customer Action Required:

Customers with Libero Gold licenses can re-generate a new free Gold license from the Customer Portal.

Customers with Libero Platinum licenses must contact customer service: **customer.service@microsemi.com** with a request to re-generate a new Platinum license.
