BEFORE INSTALLING THIS SOFTWARE, CAREFULLY READ THE TERMS CONTAINED IN THIS
LIBERO LICENSE AND ALL THIRD PARTY DOCUMENTS REGARDING THE USE OF THE
APPLICABLE THIRD PARTIES’ RESPECTIVE PRODUCTS. INSTALLING THIS SOFTWARE
INDICATES THAT YOU ACCEPT AND UNDERSTAND THE TERMS CONTAINED HEREIN AND
THAT YOU WILL ABIDE BY THEM. IF YOU DO NOT AGREE WITH THE FOLLOWING TERMS
AND CONDITIONS, DO NOT PROCEED WITH THE INSTALLATION. RETURN THE SOFTWARE
TO MICROSEMI SOC CORP. AND THE FEES PAID THEREFORE, IF ANY, WILL BE REFUNDED
TO YOU.

License Grant - Microsemi SoC Corp. ("Licensor") hereby grants you ("Licensee") a nonexclusive,
nontransferable license for those persons designated by Licensee ("Permitted Users") to use Licensor’s
software, including all software documentation, functional cores or macros, and intellectual property ("IP")
cores (collectively, "Software") exclusively with Licensor’s Devices, defined below. Licensee shall not
combine the Software with any other device or product not manufactured by Licensor, or incorporate the
Software in end-user products that do not contain Licensor’s Devices. Licensee agrees that the Software may
only be used for the purposes of designing semiconductor products proprietary to Licensee,
and creating and testing logic designs for programming Devices and programming such designs on Devices, and for no other
purpose ("Purpose"). “Licensor Devices” are programmable logic components designed, manufactured, or
sold by Licensor through itself or its authorized distributors. If the Software was provided for limited term
use, this Libero License will automatically expire at the end of the authorized term.

Permitted Users are authorized to use floating licenses for Software locally or globally within a secured local
or wide area network.

Title - This Libero License is not a sale, and you are not an owner of a copy of the Software or any component
thereof. Title in the copyrights and all other proprietary rights in the Software, the enclosed copy of the
Software, and any copy made by you, remain in Licensor’s ownership. Unauthorized copying or failure to
comply with the license restrictions contained herein will result in automatic termination of this Libero
License and will make other legal remedies available to Licensor.

Protected Use - Licensee agrees to ensure that only Permitted Users of the Software will use the Software
and shall indemnify Licensor against all costs, damages, losses, court costs and expenses, of any kind,
resulting from (a) any unauthorized use or dissemination of the Software, or any component or copy thereof,
and (b) any reverse engineering or decompilation of the Software.

LIMITED WARRANTY AND DISCLAIMERS

Warranty - Licensor warrants that for a period of ninety (90) days after the initial delivery of the Software
that the Software will substantially conform to Licensor’s published, as of the date of installation,
specifications for the Software, provided that during such period Licensee properly uses the Software in
accordance with the corresponding documentation supplied by Licensor hereunder. Licensor’s entire
liability and Licensee's exclusive remedy under this Warranty Section, which is further subject to Licensee
returning the defective Software to Licensor, and confirmed as defective by Licensor in its sole and absolute
discretion, with a written statement of the defects, will be, at Licensor’s option:

(a) replace any defective media;

(b) replace the Software or use diligent efforts to provide Licensee with a correction of the defect; or
(c) accept the return of the Software and refund the license fee, if any, to the Licensee.

**Warranty Disclaimers** - EXCEPT FOR THE ABOVE MENTIONED LIMITED WARRANTIES, LICENSOR MAKES AND THE LICENSEE RECEIVES NO EXPRESS, IMPLIED, OR STATUTORY WARRANTIES ON THE SOFTWARE, AND LICENSOR SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. LICENSOR DOES NOT WARRANT THAT THE OPERATION OF THE SOFTWARE BY LICENSEE WILL BE UNINTERRUPTED OR ERROR-FREE.

**Third-Party Suppliers** - The Software licensed under this Libero License may contain or be derived from portions of materials by third parties under license to Licensor. SUCH THIRD PARTIES DISCLAIM ALL WARRANTIES EXPRESS OR IMPLIED WITH RESPECT TO THE USE OF SUCH MATERIALS IN CONNECTION WITH THEIR SOFTWARE, INCLUDING (WITHOUT LIMITATION) ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Any such third party may enforce the provisions of this Agreement to the extent such third party materials are affected. In addition, any limitation of liability set forth in this Libero License also apply to any third-party supplier of materials supplied to Licensee. Licensor and its third-party supplier limitations of liabilities are not cumulative. All such third-party suppliers are intended beneficiaries of this section.

**Maintenance Fee** - Licensee has purchased, simultaneously with the purchase of a license to use the Software, the maintenance services set forth below, for a period of one (1) year following delivery of the Software to Licensee, at Licensor’s current maintenance fee. At the commencement of each subsequent year of maintenance services, Licensor shall invoice Licensee for such year’s maintenance service at Licensor’s then current maintenance fee, unless Licensor terminates its obligation to perform such maintenance by giving Licensee ninety (90) days’ prior written notice of such termination. If Licensor does not terminate its obligation to perform such maintenance, Licensor will continue to perform the maintenance for one (1) additional year provided Licensee pays the invoiced maintenance fee. If Licensor elects to terminate the maintenance services offered pursuant to this Agreement, Licensor shall reimburse Licensee the pro-rata portion of the maintenance fee paid for which services will not be rendered due to the termination, and shall make available to Licensee its then standard maintenance services at its then current maintenance fees.

**Maintenance Provided** - Licensor will provide Licensee with the following maintenance services if Licensee is entitled to such service pursuant to the above paragraph:

(1) Licensor will use reasonable efforts to correct or provide a workaround for Software malfunctions (limited to malfunctions that substantially affect program performance and that can be demonstrated to Licensor’s satisfaction in the most current release of the Software).

(2) Licensor’s technical support staff will provide telephone consultation on the use of the Software during Licensor’s normal business hours.

The foregoing services do not apply to problems in or arising out of any equipment, software, modifications or improvements supplied or made by anyone other than Licensor and are subject to proper maintenance and operation of the products purchased by Licensee. The following services are further subject to Licensee performing its obligations under the following paragraph.

**Licensee Obligations** - Licensee agrees to provide Licensor with (1) such support and test time on Licensee's equipment, (2) any necessary information and (3) technical support Licensor requests in order to duplicate and remedy any problems for which Licensor is providing the services described above.

**License Pass-Through for Open Source Components**. Notwithstanding the foregoing Microsemi SoC Corp. Libero Software License Agreement, Licensee acknowledges that certain components of the Software may be covered by so-called “open source” software licenses (“Open Source Components”), which means
any software licenses approved as open source licenses by the Open Source Initiative or any substantially
similar licenses, including without limitation any license that, as a condition of distribution of the software
licensed under such license, requires that the distributor make the software available in source code format.
Licensor shall provide a list of Open Source Components for a particular version of the Software upon
Licensee’s request. To the extent required by the licenses covering Open Source Components, the terms of
such licenses will apply to such Open Source Components in lieu of the terms of this Agreement. To the
extent the terms of the licenses applicable to Open Source Components prohibit any of the restrictions in
this Agreement with respect to such Open Source Component, such restrictions will not apply to such Open
Source Component. To the extent the terms of the licenses applicable to Open Source Components require
Licensor to make an offer to provide source code or related information in connection with the Open Source
Components, such offer is hereby made. Any request for source code or related information should be
directed only to: soc_tech@microsemi.com. Licensee acknowledges receipt of notices for the Open Source
Components for the initial delivery of the Software.

CONFIDENTIAL INFORMATION

Licensee acknowledges and agrees that the Software contains highly confidential and proprietary
information of Licensor. Accordingly, Licensee may not: (1) adapt, translate, decompile, reverse engineer,
or disassemble the Software, or any part thereof or attempt to reconstruct, identify or discover any source
code, underlying ideas, or underlying user interface techniques or algorithms of the Software by any means
whatsoever, or disclose any of the foregoing (“Restricted Activity(ies)”; or (2) allow, instruct, request, or
otherwise direct any third party to assist Licensee in a Restricted Activity. If a jurisdiction in which Licensor
accesses the Software gives Licensee a specific mandatory right under statute, or law, to undertake or request
to have undertaken any of the foregoing Restricted Activities set forth in this Section, regardless of this
license restriction and the other obligations set forth in this Agreement, then Licensee must first immediately
notify Licensor, in writing, prior to Licensee, or a third party at Licensee’s direction, undertaking any of the
foregoing Restricted Activities for the purpose permitted by such statute or law, and Licensor may, in its
discretion, undertake the Restricted Activity(ies) on Licensee’s behalf or agree to negotiate terms and
conditions with Licensee on such use of the Software to ensure that Licensor’s and/or its licensor’s
proprietary rights are protected.

LIMITATION OF LIABILITY

LICENSE FEE - LICENSEE AGREES THAT LICENSOR’S LIABILITY UNDER THIS AGREEMENT,
REGARDLESS OF THE FORM OF ACTION, SHALL IN NO EVENT EXCEED THE PRICE OF THE
LICENSOR PRODUCTS PAID BY LICENSEE HEREUNDER. IN NO EVENT WILL LICENSOR BE
LIABLE FOR COSTS OF REPLACEMENT OF SUBSTITUTE PRODUCTS OR SERVICES, LOST
PROFITS, OR ANY SPECIAL, INDIRECT, CONSEQUENTIAL, OR INCIDENTAL DAMAGES,
HOWEVER CAUSED AND ON ANY THEORY OF LIABILITY, ARISING IN ANY WAY OUT OF
THIS AGREEMENT. THESE LIMITATIONS SHALL APPLY EVEN IF LICENSOR HAS BEEN
ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING ANY
FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY PROVIDED HEREIN. LICENSEE
ACKNOWLEDGES THAT FEES PAID REFLECT THIS ALLOCATION OF RISK.

EXPORT AND GOVERNMENT USE

Use Outside U.S. - Licensee may use the Software outside the United States only if Licensee takes
reasonable precautions to protect Licensor copyrights and trade secrets in the Software in the foreign country
in which the Software is used. In addition, before taking any copy of the Software, in whole or in part,
outside the United States, or providing the Software to a foreign national, Licensee shall first comply with
all requirements of the United States Office of Export Administration and other appropriate governmental
authorities of the United States.
Government Use - Use, duplication or disclosure by the Government is subject to restrictions as set forth in FAR 52.227-19 Commercial Computer Software - Restricted Rights.

GENERAL

This Agreement will be governed by the laws of the State of California, without giving rise to its conflict of law provisions.

Failure or delay by Licensor in enforcing any provision of this Agreement shall not be deemed a waiver of future enforcement of that or any other provision.

This Agreement is the entire agreement between the parties hereto and supersedes any other communication or advertising with respect to the Software, Devices, hardware and documentation delivered regarding the Software, Devices and hardware.

This Agreement is not assignable by you.

If any provision of this Agreement is held invalid by a court of competent jurisdiction or by a dully-appointed arbitrator in accordance with the below paragraph dealing with conflict resolution of this Agreement, the remainder of this Agreement shall continue in full force and effect.

Please direct all inquiries regarding the Software and this Agreement, in writing, to Microsemi SoC Corp., 3870 North First Street, San Jose, CA 95134; Attn: Customer Support.

Please direct all legal notices regarding the Software and this Agreement, in writing, to Microsemi, 1 Enterprise Aliso Viejo, CA 92656; Attn: Legal Dept.

Any dispute between the Licensor and Licensee arising from or related to this Agreement or the subject matter hereof, including its validity, construction or performance thereunder, shall be exclusively resolved through arbitration or mediation by a mutually acceptable impartial and neutral arbitrator or mediator appointed through the organization known as Judicial Arbitration and Mediation Services (JAMS) in accordance with its rules and procedures. If the Parties are not able to agree on an arbitrator/mediator within ten (10) days of the date of request for arbitration/mediation is served, then JAMS shall appoint an arbitrator/mediator. Notice of arbitration/mediation shall be served and filed with the JAMS main offices in Irvine, California. Each Party shall be responsible for all costs associated with the preparation and representation by attorneys, or any other persons retained thereby, to assist in connection with any such arbitration/mediation. However, all costs charged by the mutually agreed upon arbitration/mediation entity shall be equally shared by the Parties. The Party seeking mediation and/or arbitration as provided herein agrees that the venue for any such mediation and arbitration shall be Orange County, California.

For purposes of clarity, any term defined above that appears in any attached Exhibit shall not be given the same definition. Such terms shall be uniquely defined in whatever Exhibit such term is described in below. Moreover, all references to “Actel” in Exhibits A - J shall mean Microsemi SoC Corp. or Licensor.
EXHIBIT A: Synopsys Software License Agreement for Synplicity Software Products

This Software License Agreement ("Agreement") is a legal agreement between you ("Licensee") and the contracting Synopsys entity identified below ("Synopsys").

YOU MUST READ AND AGREE TO THE TERMS OF THIS AGREEMENT. BY CLICKING ON THE "ACCEPT" BUTTON OF THIS AGREEMENT, OR BY DOWNLOADING, INSTALLING OR USING SOFTWARE, YOU ARE AGREEING TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS AGREEMENT. IF YOU DO NOT AGREE WITH THE TERMS AND CONDITIONS OF THIS AGREEMENT, THEN YOU SHOULD EXIT THIS PAGE AND NOT DOWNLOAD OR INSTALL OR USE ANY SOFTWARE. BY DOING SO YOU FOREGO ANY IMPLIED OR STATED RIGHTS TO DOWNLOAD OR INSTALL OR USE SOFTWARE AND YOU MAY RETURN IT TO THE PLACE YOU OBTAINED IT FOR A FULL REFUND (IF APPLICABLE).

Definition. "SOFTWARE" means the software product of Synopsys's Synplicity business group that Licensee has acquired, including related documentation (whether in print or electronic form), any authorization keys, authorization codes, and license files, and any updates or upgrades of such software provided by Synopsys.

License Grant. Synopsys grants to Licensee a non-exclusive license to (a) install the SOFTWARE, (b) use or authorize use internally of the SOFTWARE by up to the number of nodes for which Licensee has a license and for which Licensee has the security key(s) or authorization code(s) provided by Synopsys or its agents for the purpose of creating and modifying Designs (as defined below, and (c) copy the SOFTWARE only as follows: (i) to directly support authorized use under the license, and (ii) in order to make a reasonable number of copies of the SOFTWARE for backup purposes only.

Documentation License. In addition, Synopsys grants to Licensee a non-exclusive license to copy and distribute internally the documentation portion of the SOFTWARE in support of its license to use the program portion of the SOFTWARE.

Node-Locked and Floating Licenses.

Node-Locked License. If Licensee has obtained the SOFTWARE under a node-locked license, then a "node" refers to a specific machine and the SOFTWARE may be installed only on a specific number of nodes, and must be used only on the node(s) on which it is installed, and may be accessed only by users who are physically present at that node. Further, a node-locked license may only be used by one user at a time running one (1) instance of the SOFTWARE at a time.

Floating License. If Licensee has obtained the SOFTWARE under a floating license, then a "session" refers to a concurrent user or session and the SOFTWARE may be used concurrently by up to the quantity of sessions or licenses indicated on the applicable Synopsys quote.

Evaluation License. If Licensee has obtained the SOFTWARE pursuant to an evaluation license, then, in addition to all other terms and conditions herein, the following restrictions apply: (a) the license to the SOFTWARE terminates after the period of time indicated on the SOFTWARE file (unless otherwise agreed to in writing by Synopsys); and (b) Licensee may use the SOFTWARE for the sole purpose of internal testing and evaluation to determine whether Licensee wishes to license the SOFTWARE on a commercial basis. Licensee shall not use the SOFTWARE to design any integrated circuits for production or pre-production purposes or any other commercial use including, but not limited to, for the benefit of Licensee's customers. If Licensee breaches any of the foregoing restrictions, then Licensee shall pay to Synopsys a license fee equal to Synopsys's perpetual list price plus maintenance for the commercial version of the SOFTWARE. Licensee agrees that damages for such a breach would be difficult to assess, and such payment represents a
reasonable assessment of the potential damage to Synopsys. Licensee recognizes and agrees that this amount is a reasonable, liquidated amount and not a penalty. Evaluation licenses are provided "AS IS." Therefore, the warranty and indemnification provisions of this Agreement do not apply to evaluation licenses.

Time-Based (Subscription) License. If Licensee has obtained a time-based license to the SOFTWARE, in addition to all other terms and conditions herein, the following restrictions apply: (a) Licensee is authorized to use the SOFTWARE only for a limited time (which time is indicated on the quotation or in the purchase confirmation documents); (b) Licensee's right to use the SOFTWARE terminates on the date the license term expires as set forth in the quotation or the purchase confirmation documents, unless Licensee has renewed the license by paying the applicable fees.

Copy Restrictions. SOFTWARE is protected by United States copyright laws and international treaty provisions and Licensee may only copy the SOFTWARE as explicitly set forth above. Any permitted copies must include all copyright and trademark notices.

Use Restrictions. This SOFTWARE is licensed to Licensee for internal use only. Licensee shall not (and shall not allow any third party to): (a) decompile, disassemble, reverse engineer or attempt to reconstruct, identify or discover any source code, underlying ideas, underlying user interface techniques or algorithms of the SOFTWARE by any means whatever, or disclose any of the foregoing; (b) host the SOFTWARE acquired under a node-locked license via the Internet or Intranet; (c) use the SOFTWARE for timesharing or service bureau purposes or otherwise circumvent the internal use restrictions; (d) modify, incorporate into or with other software, or create a derivative work of any part of the SOFTWARE; (e) disclose the results of any benchmarking of the SOFTWARE, or use such results for its own competing software development activities, without the prior written permission of Synopsys; (f) attempt to circumvent any user limits, maximum gate count limits or other license, timing or use restrictions that are built into the SOFTWARE.

Transfer Restrictions/No Assignment. The SOFTWARE may only be used under this license at Licensee's Site and on designated equipment as set forth in the license grant above, and may not be moved to a location other than the Licensee's Site or used on equipment other than the designated equipment or otherwise physically transferred without the prior written consent of Synopsys.

Any permitted physical transfer of the SOFTWARE will require that Licensee executes a "Software Authorization Transfer Agreement" provided by Synopsys. Further, Licensee shall not sublicense, or assign (by operation of law, including change of control, merger, sale of assets, or otherwise) this Agreement or any of the rights or licenses granted under this Agreement, without the prior written consent of Synopsys. Any such unauthorized transfer will be ineffective, null, and void (and Licensee will be in breach of this Agreement).

Security. Licensee agrees to take all appropriate measures to safeguard the SOFTWARE and prevent unauthorized access or use thereof. Suggested ways to accomplish this include: (i) implementation of firewalls and other security applications, (ii) use of FLEXlm options file that restricts access to the SOFTWARE to identified users; (iii) maintaining and storing license information in paper format only; (iv) changing TCP port numbers every three (3) months; and (v) communicating to all authorized users that use of the SOFTWARE is subject to the restrictions set forth in this Agreement. Licensee shall monitor each end user's use of the SOFTWARE to ensure that the end user abides by the terms of this Agreement. The SOFTWARE communicates with Synopsys servers for the purpose of providing software updates, detecting software piracy and verifying that Licensee is using SOFTWARE in conformity with the applicable License Key for such SOFTWARE. Synopsys will use information gathered in connection with this process to deliver software updates and pursue software pirates and infringers.

Ownership of the SOFTWARE. Synopsys retains all right, title, and interest in the SOFTWARE (including all copies), and all worldwide intellectual property rights therein. Synopsys reserves all rights not expressly granted to Licensee. This license is not a sale of the original SOFTWARE or of any copy. Ownership of
Design Techniques. "Design" means the representation of an electronic circuit or device(s), derived or created by Licensee through the use of the SOFTWARE in its various formats, including, but not limited to, equations, truth tables, schematic diagrams, textual descriptions, hardware description languages, and netlists. "Design Techniques" means the data, circuit and logic elements, libraries, algorithms, search strategies, rule bases, techniques and technical information incorporated in the SOFTWARE and employed in the process of creating Designs. Synopsys retains all right, title and interest in and to Design Techniques incorporated in the SOFTWARE, including all intellectual property rights embodied therein, provided that to the extent any Design Techniques are included as part of or embedded within Designs created by Licensee, Synopsys grants Licensee a personal, nonexclusive, nontransferable license to reproduce the Design Techniques and distribute such Design Techniques solely as incorporated into Licensee's Designs and not on a standalone basis. Additionally, Licensee acknowledges that Synopsys has an unrestricted, royalty-free right to incorporate any Design Techniques disclosed by Licensee into its software, documentation and other products, and to sublicense third parties to use those incorporated Design Techniques. Protection of Confidential Information. "Confidential Information" means (a) as to Synopsys, the terms and conditions of this Agreement, the SOFTWARE, in object and source code form, the documentation, any license keys, and any related technology, idea, algorithm or information contained therein, including without limitation Design Techniques, and any trade secrets related to any of the foregoing; (b) each party's product plans, Designs, costs, prices and names; non-published financial information; marketing plans; business opportunities; personnel; research; development or know-how; and (c) any information designated by the disclosing party as confidential in writing or, if disclosed orally, designated as confidential at the time of disclosure and reduced to writing and designated as confidential in writing within thirty (30) days; provided, however that "Confidential Information" will not include information that: (i) is or becomes generally known or available by publication, commercial use or otherwise through no fault of the receiving party; (ii) is known and has been reduced to tangible form by the receiving party at the time of disclosure and is not subject to restriction; (iii) is independently developed by the receiving party without use of the disclosing party's Confidential Information; (iv) is lawfully obtained from a third party who has the right to make such disclosure; (v) is released for publication by the disclosing party in writing; or (vi) is an idea or suggestion that Licensee voluntarily provides to Synopsys (in any manner, whether in writing or orally or otherwise) regarding the SOFTWARE, documentation, or Design Techniques, including possible enhancements or improvements ("Feedback"). Synopsys may freely use and disseminate any Feedback Licensee provides, and Licensee agrees not to claim that Synopsys owes it any compensation for its use or dissemination of such Feedback. Each party will protect the other party's Confidential Information from unauthorized disclosure and use with the same degree of care that each such party uses to protect its own like information but in no case less than reasonable care. Neither party will use the other's Confidential Information for purposes other than those necessary to directly further the purposes of this Agreement. Neither party will disclose to third parties the other's Confidential Information without the prior written consent of the other party or unless such disclosure is necessary to comply with a valid court order or subpoena. If Licensee believes that it must disclose Synopsys's Confidential Information to comply with a valid court order or subpoena, it must promptly notify Synopsys and cooperate with Synopsys if Synopsys chooses to contest the disclosure requirement, seek confidential treatment of the information to be disclosed, or to limit the nature or scope of the information to be disclosed. Synopsys will do the same if it believes it must disclose your Confidential Information under similar circumstances.

Open Source Software. The SOFTWARE may be delivered with software that is subject to open source licensing terms ("Open Source Software") which are available at http://www.synopsys.com/sbgproducts_license_agreement/. If the Open Source Software license also requires source code to be made available, Licensee may reference http://www.synopsys.com/sbgproducts_license_agreement/ for information on how to obtain such source code. Licensee agrees that all Open Source Software shall be and shall remain subject to the terms and conditions under which it is provided. The Open Source Software is provided "AS IS," WITHOUT ANY WARRANTY OF ANY KIND, AND SYNOPSYS FURTHER DISCLAIMS ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, WITH RESPECT TO OPEN SOURCE SOFTWARE, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF NONINFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. NEITHER SYNOPSYS NOR THE LICENSORS OF OPEN SOURCE SOFTWARE SHALL HAVE ANY
LIABILITY FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION LOST PROFITS), HOWEVER CAUSED AN ON ANY THEORY OF LIABILITY, WHETHER IN CONTRACT, STRICT LIABILITY, OR TORT (INCLUDING NEGLIGENCE OR OTHERWISE) ARISING IN ANY WAY OUT OF THE USE OR DISTRIBUTION OF THE ECLIPSE SOFTWARE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Copyrights to the Open Source Software are held by the copyright holders indicated in the copyright notices in the corresponding source files.

**Audit Rights.** With reasonable prior notice, Synopsys shall have the right to audit during Licensee's normal business hours all records and accounts as may contain information regarding Licensee's compliance with the terms of this Agreement. Synopsys shall keep in confidence all information gained as a result of any audit. In the event any audit discloses a breach of this Agreement, Synopsys reserves the right to terminate this Agreement and/or recover damages, attorney's fees, and costs, including the cost of the audit. Fees. If Actel charges you a fee for the SOFTWARE, that shall be subject to a separate agreement between you and Actel.

**Termination.** Synopsys may terminate this Agreement immediately if Licensee breaches any provision, including without limitation, failure by Licensee to implement adequate security measures as set forth above, provided that if the breach is curable, Synopsys will provide Licensee a fifteen (15) day period within which to cure the breach before terminating this Agreement. Upon notice of termination by Synopsys, all rights granted to Licensee under this Agreement will immediately terminate, and Licensee shall cease using the SOFTWARE and return or destroy all copies (and partial copies) of the SOFTWARE and documentation. The following provisions shall survive any termination or expiration of this Agreement: Ownership of SOFTWARE, Ownership of Design Techniques, Protection of Confidential Information, Audit Rights, Disclaimer, Limitation of Liability, Export and Miscellaneous, and shall certify in writing to Synopsys that Licensee has complied with these requirements. This Agreement expires upon expiration of the license granted herein. Licensee will remain obligated to pay any amounts it owes to Synopsys when this Agreement is terminated.

**Maintenance Services.** Maintenance services for the SOFTWARE shall be subject to a separate agreement between you and Actel. Synopsys shall have no obligation to provide to you any maintenance services whatsoever under this Agreement. Limited Warranty. Synopsys warrants that the program portion of the SOFTWARE will perform substantially in accordance with the accompanying documentation for a period of ninety (90) days from the date of delivery. Synopsys's entire liability and Licensee's exclusive remedy for a breach of the preceding limited warranty shall be, at Synopsys's option, either (a) return of the license fee, or (b) providing a fix, patch, work-around, or replacement of the SOFTWARE. In either case, Licensee must return the SOFTWARE to Synopsys with a copy of the purchase receipt or similar document. Replacements are warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer. Some states/jurisdictions do not allow such limitations, so the above limitation may not apply.

**Disclaimer.** EXCEPT AS EXPRESSLY SET FORTH ABOVE, TO THE MAXIMUM EXTENT PERMITTED BY LAW, NO OTHER WARRANTIES OR CONDITIONS, EITHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, ARE MADE BY SYNOPSYS OR ITS LICENSORS WITH RESPECT TO THE SOFTWARE AND THE ACCOMPANYING DOCUMENTATION, AND SYNOPSYS EXPRESSLY DISCLAIMS ALL WARRANTIES AND CONDITIONS NOT EXPRESSLY STATED HEREIN, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, NONINFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, AND ANY WARRANTIES ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE. WITHOUT LIMITING THE FOREGOING, SYNOPSYS AND ITS LICENSORS DO NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE SOFTWARE WILL MEET LICENSEE'S REQUIREMENTS, BE UNINTERRUPTED OR ERROR FREE, OR THAT ALL DEFECTS IN THE PROGRAM WILL BE CORRECTED. Licensee assumes the entire risk as to the results and performance of the SOFTWARE.
Limitation of Liability. TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT SHALL SYNOPSYS OR ITS LICENSORS OR THEIR AGENTS BE LIABLE FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL OR INCIDENTAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTIONS, LOSS OF BUSINESS INFORMATION, OR OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF SYNOPSYS AND/OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, IN NO EVENT SHALL SYNOPSYS'S LICENSORS BE LIABLE FOR ANY DIRECT DAMAGES ARISING OUT OF LICENSEE'S USE OF THE SOFTWARE. IN NO EVENT WILL SYNOPSYS BE LIABLE TO LICENSEE FOR DAMAGES IN AN AMOUNT GREATER THAN THE FEES PAID FOR THE USE OF THE PARTICULAR SOFTWARE AT ISSUE. Without limiting the foregoing, the SOFTWARE may embody a method to protect the security of Designs; however, Synopsys does not warrant the effectiveness of such method and shall have no liability resulting from any failure thereof. Some states/jurisdictions do not allow the limitation or exclusion of incidental or consequential damages, so the above limitations or exclusions may not apply. The limitations of liability in this section are a fundamental part of this Agreement and enable Synopsys to provide products and services to Licensee at lower prices. These limitations of liability are intended to apply even if an exclusive remedy is found to have failed of its essential purpose.

Safe Operation. LIFE ENDANGERING ACTIVITIES. NEITHER COMPANY NOR ITS LICENSORS SHALL BE LIABLE FOR ANY DAMAGES RESULTING FROM OR IN CONNECTION WITH THE USE OF SOFTWARE IN ANY APPLICATION WHERE THE FAILURE OR INACCURACY OF THE SOFTWARE MIGHT RESULT IN DEATH OR PERSONAL INJURY. YOU AGREE TO INDEMNIFY AND HOLD HARMLESS COMPANY AND ITS LICENSORS FROM ANY CLAIMS, LOSS, COST, DAMAGE, EXPENSE, OR LIABILITY, INCLUDING ATTORNEYS' FEES, ARISING OUT OF OR IN CONNECTION WITH SUCH USE.

Intellectual Property Right Infringement. Synopsys will, at its expense, defend or, at its option, settle any claim or action brought against Licensee to the extent it is based on a third party claim that the SOFTWARE as used pursuant to this Agreement infringes or violates any United States patent issued before the delivery date of the subject SOFTWARE, copyright, trade secret or trademark of any third party, and Synopsys will indemnify and hold Licensee harmless from and against any damages, costs and fees awarded in such claim or action; provided that Licensee provides Synopsys with (a) prompt written notification of the claim or action; (b) sole control and authority over the defense or settlement thereof (including all negotiations); and (c) at Synopsys's expense, all available information, assistance and authority to settle and/or defend any such claim or action. Synopsys's obligations under this subsection do not apply to the extent that (i) such claim or action would have been avoided but for modifications of the SOFTWARE, or portions thereof, other than modifications made by Synopsys after delivery to Licensee; (ii) such claim or action would have been avoided but for the combination or use of the SOFTWARE, or portions thereof, with other products, processes or materials not supplied or specified in writing by Synopsys; (iii) Licensee continues allegedly infringing activity after being notified thereof or after being informed of modifications that would have avoided the alleged infringement; or (iv) Licensee's use of the SOFTWARE is not strictly in accordance with the terms of this Agreement.

Licensee will be liable for all damages, costs, expenses, settlements and attorneys' fees related to any claim of infringement arising as a result of (i)-(iv) above. If the SOFTWARE becomes or, in the reasonable opinion of Synopsys is likely to become, the subject of an infringement claim or action, Synopsys may, at Synopsys's option and at no charge to Licensee, (a) obtain a license so Licensee may continue use of the SOFTWARE; (b) modify the SOFTWARE to avoid the infringement; (c) replace the SOFTWARE with a compatible, functionally equivalent, and non-infringing product, or (d) terminate the licenses granted hereunder and refund to Licensee the amount paid for the SOFTWARE, as depreciated on a straight-line 5-year basis, or such other shorter period applicable to time-based licenses. THE FOREGOING PROVISIONS OF THIS SECTION STATE THE ENTIRE AND SOLE LIABILITY AND OBLIGATIONS OF SYNOPSYS, AND THE EXCLUSIVE REMEDY OF LICENSEE, WITH RESPECT TO ANY ACTUAL OR ALLEGED
INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHTS BY THE SOFTWARE (INCLUDING DESIGN TECHNIQUES) AND DOCUMENTATION.

Export. Licensee agrees that the goods, software, and technology subject to this Agreement are subject to the export control laws and regulations of the United States, including but not limited to the Export Administration Regulations ("EAR"), and sanctions regulations of the U.S. Department of Treasury, Office of Foreign Asset Controls and that Licensee will comply with these laws and regulations. Without limiting the foregoing, Licensee will not, without a U.S. Bureau of Industry and Security license or license exception, (i) export, re-export, or transfer any technology, software, or source code subject to this Agreement, either directly or indirectly, to any national of any country identified in Country Groups D:1 or E:2 as defined in the EARs, or (ii) export to any country identified in Country Groups D:1 or E:2 the direct product of the technology, software or source code, if such foreign produced product is subject to the national security controls as identified on the Commerce Control List ("CCL"). In addition, goods, software and any technology subject to this Agreement may not be exported, reexported, or transferred to (a) to any person or entity listed on the "Entity List", "Denied Persons List" or the list of "Specifically Designated Nationals and Blocked Persons" as such lists are maintained by the U.S. Government, or (b) an end-user engaged in activities related to weapons of mass destruction. Such activities include but are not necessarily limited to activities related to: (1) the design, development, production, or use of nuclear materials, nuclear facilities, or nuclear weapons; (2) the design, development, production, or use of missiles or support of missiles projects; and (3) the design, development, production, or use of chemical or biological weapons. Licensee agrees to indemnify, to the fullest extent permitted by law, Synopsys from and against any fines or penalties that may arise as a result of Licensee's breach of this provision.

Language. This Agreement is in the English language only, which language shall be controlling in all respects, and all versions hereof in any other language shall not be binding on the parties hereto. All communications and notices to be made or given pursuant to this Agreement shall be in the English language.

Government Users. If the SOFTWARE is licensed to the United States government or any agency thereof, then the SOFTWARE and any accompanying documentation will be deemed to be "commercial computer software" and "commercial computer software documentation", respectively, pursuant to 48 C.F.R. 227.7202-1, 227.7202-3, and 48 C.F.R. 12.212, as applicable. Any use, reproduction, release, performance, display or disclosure of the SOFTWARE and accompanying documentation by the U.S. Government will be governed solely by the terms of this Agreement and are prohibited except to the extent expressly permitted by the terms of this Agreement.

Contracting Synopsys Entity. The specific Synopsys entity with which you are contracting under this agreement depends on the country to which the SOFTWARE is delivered when you obtain it from Synopsys. If the SOFTWARE is delivered to you in a country in the Americas or Africa, the contracting Synopsys entity is Synopsys, Inc., with a principal place of business at 700 E. Middlefield Road, Mountain View, California 94043, USA. If the SOFTWARE is delivered to you in Taiwan, the contracting Synopsys entity is Synopsys International Limited Taiwan Branch, with a principal place of business at Taipei, Room 3108, 31F, 333, Section 1, Keelung Road, Taipei 110, Taiwan. If the SOFTWARE is delivered to you in Hungary, Australia, Belarus, Bulgaria, Israel, Poland, the Republic of Korea, Romania, Russia, Ukraine or Vietnam, the contracting Synopsys entity is Synopsys Global Kft, with a principal place of business at Kalman Imre utca # 1, 5th Floor, Budapest 1054, Hungary. If the SOFTWARE is delivered to you in Japan, the contracting Synopsys entity is Nihon Synopsys Co., Ltd., with a principal place of business at Sumitomo Fudosan Oimachi Ekimae Bldg., 1-28-1, Oi, Shinagawa-ku, Tokyo 140-0014. If the SOFTWARE is delivered to you in any country other than those identified above, the contracting Synopsys entity is Synopsys International Limited, with a principal place of business at Block One Blanchardstown Corporate Park, Blanchardstown, Dublin 15, Ireland.

Synopsys Entities. Synopsys, Inc. and its wholly-owned subsidiaries, including Synopsys International Limited, Synopsys International Limited Taiwan Branch, Synopsys Global Kft, and Nihon Synopsys Co., Ltd., have agreed to their respective rights and obligations regarding the distribution of the SOFTWARE.
and the performance of obligations related to the SOFTWARE. You acknowledge that: (i) Synopsys Inc. or any directly or indirectly wholly-owned subsidiary or branch of Synopsys, Inc. may treat a purchase order addressed to that entity, representative office or branch as having been addressed to the appropriate entity or entities or branch with distribution rights for the geographic region in which the SOFTWARE will be used; and (ii) delivery will be completed by the Synopsys entity or branch with distribution rights for the geographic region in which the SOFTWARE will be used or service will be provided.

**Amendments.** This Agreement may be amended only by means of a written instrument signed by authorized representatives of both parties that specifically refers to this Agreement and states the parties’ intention to amend it. No additional or inconsistent terms on any purchase order or similar document you may submit to Synopsys will be binding on Synopsys or have any legal effect.

**Miscellaneous.** This Agreement is the entire agreement between Licensee and Synopsys with respect to the license to the SOFTWARE, and supersedes any previous oral or written communications or documents (including, if you are obtaining an update, any agreement that may have been included with the initial version of the SOFTWARE). This Agreement is governed by the laws of the State of California, USA excluding its conflicts of laws principles.

The federal and state courts located in Santa Clara County, California have exclusive jurisdiction over any disputes arising from or relating to this Agreement, and each party consents to such jurisdiction and venue. This Agreement will not be governed by the U. N. Convention on Contracts for the International Sale of Goods. If any provision, or portion thereof, of this Agreement is found to be invalid or unenforceable, it will be enforced to the extent permissible under applicable law and the remainder of this Agreement will remain in full force and effect. Failure to prosecute a party's rights with respect to a default hereunder will not constitute a waiver of the right to enforce rights with respect to the same or any other breach. Each party will be excused from performance of its obligations under this Agreement, except payment obligations, to the extent that performance is rendered impossible by earthquake, fire, flood, governmental action, labor disruptions, supplier failures, or any other event or circumstance beyond that party's reasonable control. Except where this Agreement expressly provides exclusive remedies, all rights and remedies of either party (including termination rights) are cumulative. Licensee agrees that monetary damages alone would not be an adequate remedy, and therefore Synopsys will be entitled to injunctive relief if Licensee materially breaches the license restrictions or confidentiality provisions in this Agreement. The prevailing party in any action to enforce this Agreement will be entitled to recover costs and expenses including reasonable attorneys' fees. Section headings in this Agreement are for convenience only. The word "including" (and variations thereof) is not intended to be limiting. No rule of strict construction is to be used when interpreting this Agreement. The parties to this Agreement are independent contractors. Neither party is the agent or partner of the other party, or has any power or authority to act on behalf of the other party. This Agreement may be signed in multiple counterparts, each of which will be deemed an original and which together will constitute one instrument.

Synopsys Software License Agreement for Synplicity Software Products

January 2012

**EXHIBIT B: Mentor Graphics**

**IMPORTANT INFORMATION**

USE OF ALL SOFTWARE IS SUBJECT TO LICENSE RESTRICTIONS. CAREFULLY READ THIS LICENSE AGREEMENT BEFORE USING THE PRODUCTS. USE OF `SOFTWARE` INDICATES CUSTOMER`S COMPLETE AND UNCONDITIONAL ACCEPTANCE OF THE TERMS AND CONDITIONS SET FORTH IN THIS AGREEMENT.
This is a legal agreement concerning the use of Software (as defined in Section 2) and hardware (collectively “Products”) between the company acquiring the Products (“Customer”), and the Mentor Graphics entity that issued the corresponding quotation or, if no quotation was issued, the applicable local Mentor Graphics entity (“Mentor Graphics”). Except for license agreements related to the subject matter of this license agreement which are physically signed by Customer and an authorized representative of Mentor Graphics, this Agreement and the applicable quotation contain the parties’ entire understanding relating to the subject matter and supersede all prior or contemporaneous agreements. If Customer does not agree to these terms and conditions, promptly return or, in the case of Software received electronically, certify destruction of Software and all accompanying items within five days after receipt of Software and receive a full refund of any license fee paid.

1. ORDERS, FEES AND PAYMENT.

1.1 To the extent Customer (or if agreed by Mentor Graphics, Customer’s appointed third party buying agent) places and Mentor Graphics accepts purchase orders pursuant to this Agreement (each an “Order”), each Order will constitute a contract between Customer and Mentor Graphics, which shall be governed solely and exclusively by the terms and conditions of this Agreement, any applicable addenda and the applicable quotation, whether or not those documents are referenced on the Order. Any additional or conflicting terms and conditions appearing on an Order or presented in any electronic portal or automated order management system, whether or not required to be electronically accepted, will not be effective unless agreed in writing and physically signed by an authorized representative of Customer and Mentor Graphics.

1.2 Amounts invoiced will be paid, in the currency specified on the applicable invoice, within 30 days from the date of such invoice. Any past due invoices will be subject to the imposition of interest charges in the amount of one and one-half percent per month or the applicable legal rate currently in effect, whichever is lower. Prices do not include freight, insurance, customs duties, taxes or other similar charges, which Mentor Graphics will state separately in the applicable invoice. Unless timely provided with a valid certificate of exemption or other evidence that items are not taxable, Mentor Graphics will invoice Customer for all applicable taxes including, but not limited to, VAT, GST, sales tax, consumption tax and service tax. Customer will make all payments free and clear of, and without reduction for, any withholding or other taxes; any such taxes imposed on payments by Customer hereunder will be Customer’s sole responsibility. If Customer appoints a third party to place purchase orders and/or make payments on Customer’s behalf, Customer shall be liable for payment under Orders placed by such third party in the event of default.

1.3 All Products are delivered FCA factory (Incoterms 2010), freight prepaid and invoiced to Customer, except Software delivered electronically, which shall be deemed delivered when made available to Customer for download. Mentor Graphics retains a security interest in all Products delivered under this Agreement, to secure payment of the purchase price of such Products, and Customer agrees to sign any documents that Mentor Graphics determines to be necessary or convenient for use in filing or perfecting such security interest. Mentor Graphics’ delivery of
Software by electronic means is subject to Customer’s provision of both a primary and an alternate e-mail address.

2. GRANT OF LICENSE.

The software installed, downloaded, or otherwise acquired by Customer under this Agreement, including any updates, modifications, revisions, copies, documentation, setup files and design data ("Software") are copyrighted, trade secret and confidential information of Mentor Graphics or its licensors, who maintain exclusive title to all Software and retain all rights not expressly granted by this Agreement. Except for Software that is embeddable ("Embedded Software"), which is licensed pursuant to separate embedded software terms or an embedded software supplement, Mentor Graphics grants to Customer, subject to payment of applicable license fees, a nontransferable, nonexclusive license to use Software solely: (a) in machine-readable, object-code form (except as provided in Subsection 4.2); (b) for Customer’s internal business purposes; (c) for the term of the license; and (d) on the computer hardware and at the site authorized by Mentor Graphics. A site is restricted to a one-half mile (800 meter) radius. Customer may have Software temporarily used by an employee for telecommuting purposes from locations other than a Customer office, such as the employee’s residence, an airport or hotel, provided that such employee’s primary place of employment is the site where the Software is authorized for use. Mentor Graphics’ standard policies and programs, which vary depending on Software, license fees paid or services purchased, apply to the following: (a) relocation of Software; (b) use of Software, which may be limited, for example, to execution of a single session by a single user on the authorized hardware or for a restricted period of time (such limitations may be technically implemented through the use of authorization codes or similar devices); and (c) support services provided, including eligibility to receive telephone support, updates, modifications, and revisions. For the avoidance of doubt, if Customer provides any feedback or requests any change or enhancement to Products, whether in the course of receiving support or consulting services, evaluating Products, performing beta testing or otherwise, any inventions, product improvements, modifications or developments made by Mentor Graphics (at Mentor Graphics’ sole discretion) will be the exclusive property of Mentor Graphics.

3. BETA CODE.

3.1 Portions or all of certain Software may contain code for experimental testing and evaluation (which may be either alpha or beta, collectively “Beta Code”), which may not be used without Mentor Graphics’ explicit authorization. Upon Mentor Graphics’ authorization, Mentor Graphics grants to Customer a temporary, nontransferable, nonexclusive license for experimental use to test and evaluate the Beta Code without charge for a limited period of time specified by Mentor Graphics. Mentor Graphics may choose, at its sole discretion, not to release Beta Code commercially in any form.

3.2 If Mentor Graphics authorizes Customer to use the Beta Code, Customer agrees to evaluate and test the Beta Code under normal conditions as directed by Mentor Graphics. Customer will contact Mentor Graphics periodically during Customer’s use of the Beta Code to discuss any malfunctions or suggested improvements. Upon completion of Customer’s evaluation and testing, Customer will send to Mentor Graphics a written evaluation of the Beta Code, including its strengths, weaknesses and recommended improvements.

3.3 Customer agrees to maintain Beta Code in confidence and shall restrict access to the Beta
Code, including the methods and concepts utilized therein, solely to those employees and Customer location(s) authorized by Mentor Graphics to perform beta testing. Customer agrees that any written evaluations and all inventions, product improvements, modifications or developments that Mentor Graphics conceived or made during or subsequent to this Agreement, including those based partly or wholly on Customer’s feedback, will be the exclusive property of Mentor Graphics. Mentor Graphics will have exclusive rights, title and interest in all such property. The provisions of this Subsection 3.3 shall survive termination of this Agreement.

4. RESTRICTIONS ON USE.

4.1 Customer may copy Software only as reasonably necessary to support the authorized use. Each copy must include all notices and legends embedded in Software and affixed to its medium and container as received from Mentor Graphics. All copies shall remain the property of Mentor Graphics or its licensors. Except for Embedded Software that has been embedded in executable code form in Customer’s product(s), Customer shall maintain a record of the number and primary location of all copies of Software, including copies merged with other software, and shall make those records available to Mentor Graphics upon request. Customer shall not make Products available in any form to any person other than Customer’s employees and on-site contractors, excluding Mentor Graphics competitors, whose job performance requires access and who are under obligations of confidentiality. Customer shall take appropriate action to protect the confidentiality of Products and ensure that any person permitted access does not disclose or use Products except as permitted by this Agreement. Customer shall give Mentor Graphics written notice of any unauthorized disclosure or use of the Products as soon as Customer becomes aware of such unauthorized disclosure or use. Customer acknowledges that Software provided hereunder may contain source code which is proprietary and its confidentiality is of the highest importance and value to Mentor Graphics. Customer acknowledges that Mentor Graphics may be seriously harmed if such source code is disclosed in violation of this Agreement. Except as otherwise permitted for purposes of interoperability as specified by applicable and mandatory local law, Customer shall not reverse-assemble, disassemble, reverse-compile, or reverse-engineer any Product, or in any way derive any source code from Software that is not provided to Customer in source code form. Log files, data files, rule files and script files generated by or for the Software (collectively “Files”), including without limitation files containing Standard Verification Rule Format (“SVRF”) and Tcl Verification Format (“TVF”) which are Mentor Graphics’ trade secret and proprietary syntaxes for expressing process rules, constitute or include confidential information of Mentor Graphics. Customer may share Files with third parties, excluding Mentor Graphics competitors, provided that the confidentiality of such Files is protected by written agreement at least as well as Customer protects other information of a similar nature or importance, but in any case with at least reasonable care. Customer may use Files containing SVRF or TVF only with Mentor Graphics products. Under no circumstances shall Customer use Products or Files or allow their use for the purpose of developing, enhancing or marketing any product that is in any way competitive with Products, or disclose to any third party the results of, or information pertaining to, any benchmark.

4.2 If any Software or portions thereof are provided in source code form, Customer will use the source code only to correct software errors and enhance or modify the Software for the authorized use, or as permitted for Embedded Software under separate embedded software terms or an embedded software supplement. Customer shall not disclose or permit disclosure of source code, in whole or in part, including any of its methods or concepts, to anyone except Customer’s
employees or on-site contractors, excluding Mentor Graphics competitors, with a need to know. Customer shall not copy or compile source code in any manner except to support this authorized use.

4.3 Customer agrees that it will not subject any Product to any open source software (“OSS”) license that conflicts with this Agreement or that does not otherwise apply to such Product.

4.4 Customer may not assign this Agreement or the rights and duties under it, or relocate, sublicense, or otherwise transfer the Products, whether by operation of law or otherwise (“Attempted Transfer”), without Mentor Graphics’ prior written consent and payment of Mentor Graphics’ then-current applicable relocation and/or transfer fees. Any Attempted Transfer without Mentor Graphics’ prior written consent shall be a material breach of this Agreement and may, at Mentor Graphics’ option, result in the immediate termination of the Agreement and/or the licenses granted under this Agreement. The terms of this Agreement, including without limitation the licensing and assignment provisions, shall be binding upon Customer’s permitted successors in interest and assigns.

4.5 The provisions of this Section 4 shall survive the termination of this Agreement.

5. SUPPORT SERVICES.

To the extent Customer purchases support services, Mentor Graphics will provide Customer with updates and technical support for the Products, at the Customer site(s) for which support is purchased, in accordance with Mentor Graphics’ then current End-User Support Terms located at http://supportnet.mentor.com/supportterms.

6. OPEN SOURCE SOFTWARE.

Products may contain OSS or code distributed under a proprietary third party license agreement, to which additional rights or obligations (“Third Party Terms”) may apply. Please see the applicable Product documentation (including license files, header files, read-me files or source code) for details. In the event of conflict between the terms of this Agreement (including any addenda) and the Third Party Terms, the Third Party Terms will control solely with respect to the OSS or third party code. The provisions of this Section 6 shall survive the termination of this Agreement.

7. LIMITED WARRANTY.

7.1 Mentor Graphics warrants that during the warranty period its standard, generally supported Products, when properly installed, will substantially conform to the functional specifications set forth in the applicable user manual. Mentor Graphics does not warrant that Products will meet Customer’s requirements or that operation of Products will be uninterrupted or error free. The warranty period is 90 days starting on the 15th day after delivery or upon installation, whichever first occurs. Customer must notify Mentor Graphics in writing of any nonconformity within the warranty period. For the avoidance of doubt, this warranty applies only to the initial shipment of Software under an Order and does not renew or reset, for example, with the delivery of (a) Software updates or (b) authorization codes or alternate Software under a transaction involving Software re-mix. This warranty shall not be valid if Products have been subject to misuse, unauthorized modification, improper installation or Customer is not in compliance with this Agreement. MENTOR GRAPHICS’ ENTIRE LIABILITY AND CUSTOMER’S EXCLUSIVE
REMEDY SHALL BE, AT MENTOR GRAPHICS’ OPTION, EITHER (A) REFUND OF THE PRICE PAID UPON RETURN OF THE PRODUCTS TO MENTOR GRAPHICS OR (B) MODIFICATION OR REPLACEMENT OF THE PRODUCTS THAT DO NOT MEET THIS LIMITED WARRANTY. MENTOR GRAPHICS MAKES NO WARRANTIES WITH RESPECT TO: (A) SERVICES; (B) PRODUCTS PROVIDED AT NO CHARGE; OR (C) BETA CODE; ALL OF WHICH ARE PROVIDED “AS IS.”

7.2 THE WARRANTIES SET FORTH IN THIS SECTION 7 ARE EXCLUSIVE. NEITHER MENTOR GRAPHICS NOR ITS LICENSORS MAKE ANY OTHER WARRANTIES EXPRESS, IMPLIED OR STATUTORY, WITH RESPECT TO PRODUCTS PROVIDED UNDER THIS AGREEMENT. MENTOR GRAPHICS AND ITS LICENSORS SPECIFICALLY DISCLAIM ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT OF INTELLECTUAL PROPERTY.

8. LIMITATION OF LIABILITY.

TO THE EXTENT PERMITTED UNDER APPLICABLE LAW, IN NO EVENT SHALL MENTOR GRAPHICS OR ITS LICENSORS BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS OR SAVINGS) WHETHER BASED ON CONTRACT, TORT OR ANY OTHER LEGAL THEORY, EVEN IF MENTOR GRAPHICS OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL MENTOR GRAPHICS’ OR ITS LICENSORS’ LIABILITY UNDER THIS AGREEMENT EXCEED THE AMOUNT RECEIVED FROM CUSTOMER FOR THE HARDWARE, SOFTWARE LICENSE OR SERVICE GIVING RISE TO THE CLAIM. IN THE CASE WHERE NO AMOUNT WAS PAID, MENTOR GRAPHICS AND ITS LICENSORS SHALL HAVE NO LIABILITY FOR ANY DAMAGES WHATSOEVER. THE PROVISIONS OF THIS SECTION 8 SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

9. THIRD PARTY CLAIMS.

9.1 Customer acknowledges that Mentor Graphics has no control over the testing of Customer’s products, or the specific applications and use of Products. Mentor Graphics and its licensors shall not be liable for any claim or demand made against Customer by any third party, except to the extent such claim is covered under Section 10.

9.2 In the event that a third party makes a claim against Mentor Graphics arising out of the use of Customer’s products, Mentor Graphics will give Customer prompt notice of such claim. At Customer’s option and expense, Customer may take sole control of the defense and any settlement of such claim. CUSTOMERS WILL REIMBURSE AND HOLD HARMLESS MENTOR GRAPHICS FOR ANY LIABILITY, DAMAGES, SETTLEMENT AMOUNTS, COST AND EXPENSES, INCLUDING ATTORNEY’S FEES, INCURRED BY OR AWARD AGAINST MENTOR GRAPHICS OR ITS LICENSORS IN CONNECTION WITH SUCH CLAIMS.

9.3 The provisions of this Section 9 shall survive any expiration or termination of this Agreement.

10. INFRINGEMENT.
10.1 Mentor Graphics will defend or settle, at its option and expense, any action brought against Customer in the United States, Canada, Japan, or member state of the European Union which alleges that any standard, generally supported Product acquired by Customer hereunder infringes a patent or copyright or misappropriates a trade secret in such jurisdiction. Mentor Graphics will pay costs and damages finally awarded against Customer that are attributable to such action. Customer understands and agrees that as conditions to Mentor Graphics’ obligations under this section Customer must: (a) notify Mentor Graphics promptly in writing of the action; (b) provide Mentor Graphics all reasonable information and assistance to settle or defend the action; and (c) grant Mentor Graphics sole authority and control of the defense or settlement of the action.

10.2 If a claim is made under Subsection 10.1 Mentor Graphics may, at its option and expense: (a) replace or modify the Product so that it becomes noninfringing; (b) procure for Customer the right to continue using the Product; or (c) require the return of the Product and refund to Customer any purchase price or license fee paid, less a reasonable allowance for use.

10.3 Mentor Graphics has no liability to Customer if the action is based upon: (a) the combination of Software or hardware with any product not furnished by Mentor Graphics; (b) the modification of the Product other than by Mentor Graphics; (c) the use of other than a current unaltered release of Software; (d) the use of the Product as part of an infringing process; (e) a product that Customer makes, uses, or sells; (f) any Beta Code or Product provided at no charge; (g) any software provided by Mentor Graphics’ licensors who do not provide such indemnification to Mentor Graphics’ customers; (h) OSS, except to the extent that the infringement is directly caused by Mentor Graphics’ modifications to such OSS; or (i) infringement by Customer that is deemed willful. In the case of (i), Customer shall reimburse Mentor Graphics for its reasonable attorney fees and other costs related to the action.

10.4 THIS SECTION 10 IS SUBJECT TO SECTION 8 ABOVE AND STATES THE ENTIRE LIABILITY OF MENTOR GRAPHICS AND ITS LICENSORS, AND CUSTOMER’S SOLE AND EXCLUSIVE REMEDY, FOR DEFENSE, SETTLEMENT AND DAMAGES, WITH RESPECT TO ANY ALLEGED PATENT OR COPYRIGHT INFRINGEMENT OR TRADE SECRET MISAPPROPRIATION BY ANY PRODUCT PROVIDED UNDER THIS AGREEMENT.

11. TERMINATION AND EFFECT OF TERMINATION.

11.1 If a Software license was provided for limited term use, such license will automatically terminate at the end of the authorized term. Mentor Graphics may terminate this Agreement and/or any license granted under this Agreement immediately upon written notice if Customer: (a) exceeds the scope of the license or otherwise fails to comply with the licensing or confidentiality provisions of this Agreement, or (b) becomes insolvent, files a bankruptcy petition, institutes proceedings for liquidation or winding up or enters into an agreement to assign its assets for the benefit of creditors. For any other material breach of any provision of this Agreement, Mentor Graphics may terminate this Agreement and/or any license granted under this Agreement upon 30 days written notice if Customer fails to cure the breach within the 30 day notice period. Termination of this Agreement or any license granted hereunder will not affect Customer’s obligation to pay for Products shipped or licenses granted prior to the termination, which amounts shall be payable immediately upon the date of termination.

11.2 Upon termination of this Agreement, the rights and obligations of the parties shall cease except as expressly set forth in this Agreement. Upon termination of this Agreement and/or any license granted under this Agreement, Customer shall ensure that all use of the affected Products
ceases, and shall return hardware and either return to Mentor Graphics or destroy Software in Customer’s possession, including all copies and documentation, and certify in writing to Mentor Graphics within ten business days of the termination date that Customer no longer possesses any of the affected Products or copies of Software in any form.

12. EXPORT.

The Products provided hereunder are subject to regulation by local laws and European Union (“E.U.”) and United States (“U.S.”) government agencies, which prohibit export, re-export or diversion of certain products, information about the products, and direct or indirect products thereof, to certain countries and certain persons. Customer agrees that it will not export or re-export Products in any manner without first obtaining all necessary approval from appropriate local, E.U. and U.S. government agencies. If Customer wishes to disclose any information to Mentor Graphics that is subject to any E.U., U.S. or other applicable export restrictions, including without limitation the U.S. International Traffic in Arms Regulations (ITAR) or special controls under the Export Administration Regulations (EAR), Customer will notify Mentor Graphics personnel, in advance of each instance of disclosure, that such information is subject to such export restrictions.

13. U.S. GOVERNMENT LICENSE RIGHTS.

Software was developed entirely at private expense. The parties agree that all Software is commercial computer software within the meaning of the applicable acquisition regulations. Accordingly, pursuant to U.S. FAR 48 CFR 12.212 and DFAR 48 CFR 227.7202, use, duplication and disclosure of the Software by or for the U.S. government or a U.S. government subcontractor is subject solely to the terms and conditions set forth in this Agreement, which shall supersede any conflicting terms or conditions in any government order document, except for provisions which are contrary to applicable mandatory federal laws.

14. THIRD PARTY BENEFICIARY.

Mentor Graphics Corporation, Mentor Graphics (Ireland) Limited, Microsoft Corporation and other licensors may be third party beneficiaries of this Agreement with the right to enforce the obligations set forth herein.

15. REVIEW OF LICENSE USAGE.

Customer will monitor the access to and use of Software. With prior written notice and during Customer’s normal business hours, Mentor Graphics may engage an internationally recognized accounting firm to review Customer’s software monitoring system and records deemed relevant by the internationally recognized accounting firm to confirm Customer’s compliance with the terms of this Agreement or U.S. or other local export laws. Such review may include FlexNet (or successor product) report log files that Customer shall capture and provide at Mentor Graphics’ request. Customer shall make records available in electronic format and shall fully cooperate with data gathering to support the license review. Mentor Graphics shall bear the expense of any such review unless a material non-compliance is revealed. Mentor Graphics shall treat as confidential information all information gained as a result of any request or review and shall only use or
disclose such information as required by law or to enforce its rights under this Agreement. The provisions of this Section 15 shall survive the termination of this Agreement.

16. CONTROLLING LAW, JURISDICTION AND DISPUTE RESOLUTION.

The owners of certain Mentor Graphics intellectual property licensed under this Agreement are located in Ireland and the U.S. To promote consistency around the world, disputes shall be resolved as follows: excluding conflict of laws rules, this Agreement shall be governed by and construed under the laws of the State of Oregon, U.S., if Customer is located in North or South America, and the laws of Ireland if Customer is located outside of North or South America or Japan, and the laws of Japan if Customer is located in Japan. All disputes arising out of or in relation to this Agreement shall be submitted to the exclusive jurisdiction of the courts of Portland, Oregon when the laws of Oregon apply, or Dublin, Ireland when the laws of Ireland apply, or the Tokyo District Court when the laws of Japan apply. Notwithstanding the foregoing, all disputes in Asia (excluding Japan) arising out of or in relation to this Agreement shall be resolved by arbitration in Singapore before a single arbitrator to be appointed by the chairman of the Singapore International Arbitration Centre (“SIAC”) to be conducted in the English language, in accordance with the Arbitration Rules of the SIAC in effect at the time of the dispute, which rules are deemed to be incorporated by reference in this section. Nothing in this section shall restrict Mentor Graphics’ right to bring an action (including for example a motion for injunctive relief) against Customer in the jurisdiction where Customer’s place of business is located. The United Nations Convention on Contracts for the International Sale of Goods does not apply to this Agreement.

17. SEVERABILITY.

If any provision of this Agreement is held by a court of competent jurisdiction to be void, invalid, unenforceable or illegal, such provision shall be severed from this Agreement and the remaining provisions will remain in full force and effect.

18. MISCELLANEOUS.

This Agreement contains the parties’ entire understanding relating to its subject matter and supersedes all prior or contemporaneous agreements. Any translation of this Agreement is provided to comply with local legal requirements only. In the event of a dispute between the English and any non-English versions, the English version of this Agreement shall govern to the extent not prohibited by local law in the applicable jurisdiction. This Agreement may only be modified in writing, signed by an authorized representative of each party. Waiver of terms or excuse of breach must be in writing and shall not constitute subsequent consent, waiver or excuse.

EXHIBIT J: COIN-OR

The COIN-OR library and the sub-components consisting of COIN-CBC, COIN-CGL, and COIN-CLP, are used in Libero® software. COIN-OR and its sub-components are distributed under the Libero License in object code form. Source code is available under the Eclipse Public License upon request to Microsemi Technical Support (email: soc_tech@microsemi.com, Web: soc.microsemi.com/mycases).

ECLIPSE PUBLIC LICENSE - V 1.0

THE ACCOMPANYING PROGRAM IS PROVIDED UNDER THE TERMS OF THIS ECLIPSE PUBLIC LICENSE ("AGREEMENT"). ANY USE, REPRODUCTION OR DISTRIBUTION OF THE PROGRAM CONSTITUTES RECIPIENT'S ACCEPTANCE OF THIS AGREEMENT.

1. DEFINITIONS

"Contribution" means:

a) in the case of the initial Contributor, the initial code and documentation distributed under this Agreement, and

b) in the case of each subsequent Contributor:
i) changes to the Program, and

ii) additions to the Program;

where such changes and/or additions to the Program originate from and are distributed by that particular Contributor. A Contribution 'originates' from a Contributor if it was added to the Program by such Contributor itself or anyone acting on such Contributor's behalf. Contributions do not include additions to the Program which: (i) are separate modules of software distributed in conjunction with the Program under their own license agreement, and (ii) are not derivative works of the Program.

"Contributor" means any person or entity that distributes the Program.

"Licensed Patents" mean patent claims licensable by a Contributor which are necessarily infringed by the use or sale of its Contribution alone or when combined with the Program.

"Program" means the Contributions distributed in accordance with this Agreement.

"Recipient" means anyone who receives the Program under this Agreement, including all Contributors.

2. GRANT OF RIGHTS

a) Subject to the terms of this Agreement, each Contributor hereby grants Recipient a non-exclusive, worldwide, royalty-free copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, distribute and sublicense the Contribution of such Contributor, if any, and such derivative works, in source code and object code form.

b) Subject to the terms of this Agreement, each Contributor hereby grants Recipient a non-exclusive, worldwide, royalty-free patent license under Licensed Patents to make, use, sell, offer to sell, import and otherwise transfer the Contribution of such Contributor, if any, in source code and object code form. This patent license shall apply to the combination of the Contribution and the Program if, at the time the Contribution is added by the Contributor, such addition of the Contribution causes such combination to be covered by the Licensed Patents. The patent license shall not apply to any other combinations which include the Contribution. No hardware per se is licensed hereunder.

c) Recipient understands that although each Contributor grants the licenses to its Contributions set forth herein, no assurances are provided by any Contributor that the Program does not infringe the patent or other intellectual property rights of any other
entity. Each Contributor disclaims any liability to Recipient for claims brought by any other entity based on infringement of intellectual property rights or otherwise. As a condition to exercising the rights and licenses granted hereunder, each Recipient hereby assumes sole responsibility to secure any other intellectual property rights needed, if any. For example, if a third party patent license is required to allow Recipient to distribute the Program, it is Recipient’s responsibility to acquire that license before distributing the Program.

d) Each Contributor represents that to its knowledge it has sufficient copyright rights in its Contribution, if any, to grant the copyright license set forth in this Agreement.

3. REQUIREMENTS

A Contributor may choose to distribute the Program in object code form under its own license agreement, provided that:

a) it complies with the terms and conditions of this Agreement; and

b) its license agreement:

   i) effectively disclaims on behalf of all Contributors all warranties and conditions, express and implied, including warranties or conditions of title and non-infringement, and implied warranties or conditions of merchantability and fitness for a particular purpose;

   ii) effectively excludes on behalf of all Contributors all liability for damages, including direct, indirect, special, incidental and consequential damages, such as lost profits;

   iii) states that any provisions which differ from this Agreement are offered by that Contributor alone and not by any other party; and

   iv) states that source code for the Program is available from such Contributor, and informs licensees how to obtain it in a reasonable manner on or through a medium customarily used for software exchange.

When the Program is made available in source code form:

a) it must be made available under this Agreement; and

b) a copy of this Agreement must be included with each copy of the Program.

Contributors may not remove or alter any copyright notices contained within the Program.
Each Contributor must identify itself as the originator of its Contribution, if any, in a manner that reasonably allows subsequent Recipients to identify the originator of the Contribution.

4. COMMERCIAL DISTRIBUTION

Commercial distributors of software may accept certain responsibilities with respect to end users, business partners and the like. While this license is intended to facilitate the commercial use of the Program, the Contributor who includes the Program in a commercial product offering should do so in a manner which does not create potential liability for other Contributors. Therefore, if a Contributor includes the Program in a commercial product offering, such Contributor ("Commercial Contributor") hereby agrees to defend and indemnify every other Contributor ("Indemnified Contributor") against any losses, damages and costs (collectively "Losses") arising from claims, lawsuits and other legal actions brought by a third party against the Indemnified Contributor to the extent caused by the acts or omissions of such Commercial Contributor in connection with its distribution of the Program in a commercial product offering. The obligations in this section do not apply to any claims or Losses relating to any actual or alleged intellectual property infringement. In order to qualify, an Indemnified Contributor must: a) promptly notify the Commercial Contributor in writing of such claim, and b) allow the Commercial Contributor to control, and cooperate with the Commercial Contributor in, the defense and any related settlement negotiations. The Indemnified Contributor may participate in any such claim at its own expense.

For example, a Contributor might include the Program in a commercial product offering, Product X. That Contributor is then a Commercial Contributor. If that Commercial Contributor then makes performance claims, or offers warranties related to Product X, those performance claims and warranties are such Commercial Contributor's responsibility alone. Under this section, the Commercial Contributor would have to defend claims against the other Contributors related to those performance claims and warranties, and if a court requires any other Contributor to pay any damages as a result, the Commercial Contributor must pay those damages.

5. NO WARRANTY

EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, THE PROGRAM IS PROVIDED ON AN "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, EITHER EXPRESS OR IMPLIED INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OR CONDITIONS OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Each Recipient is solely responsible for determining the appropriateness of using and distributing the Program and assumes all risks associated with its exercise of rights under this Agreement, including but not
limited to the risks and costs of program errors, compliance with applicable laws, damage to or loss of data, programs or equipment, and unavailability or interruption of operations.

6. DISCLAIMER OF LIABILITY

EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, NEITHER RECIPIENT NOR ANY CONTRIBUTORS SHALL HAVE ANY LIABILITY FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION LOST PROFITS), HOWEVER CAUSED AND ON ANY THEORY OF LIABILITY, WHETHER IN CONTRACT, STRICT LIABILITY, OR TORT (INCLUDING NEGLIGENCE OR OTHERWISE) ARISING IN ANY WAY OUT OF THE USE OR DISTRIBUTION OF THE PROGRAM OR THE EXERCISE OF ANY RIGHTS GRANTED HEREUNDER, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

7. GENERAL

If any provision of this Agreement is invalid or unenforceable under applicable law, it shall not affect the validity or enforceability of the remainder of the terms of this Agreement, and without further action by the parties hereto, such provision shall be reformed to the minimum extent necessary to make such provision valid and enforceable.

If Recipient institutes patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Program itself (excluding combinations of the Program with other software or hardware) infringes such Recipient's patent(s), then such Recipient's rights granted under Section 2(b) shall terminate as of the date such litigation is filed.

All Recipient's rights under this Agreement shall terminate if it fails to comply with any of the material terms or conditions of this Agreement and does not cure such failure in a reasonable period of time after becoming aware of such noncompliance. If all Recipient's rights under this Agreement terminate, Recipient agrees to cease use and distribution of the Program as soon as reasonably practicable. However, Recipient's obligations under this Agreement and any licenses granted by Recipient relating to the Program shall continue and survive.

Everyone is permitted to copy and distribute copies of this Agreement, but in order to avoid inconsistency the Agreement is copyrighted and may only be modified in the following manner. The Agreement Steward reserves the right to publish new versions (including revisions) of this Agreement from time to time. No one other than the Agreement Steward has the right to modify this Agreement. The Eclipse Foundation is the initial Agreement Steward. The Eclipse Foundation may assign the responsibility to serve as the Agreement Steward to a suitable separate entity. Each new version of the Agreement will be given a distinguishing version
number. The Program (including Contributions) may always be
distributed subject to the version of the Agreement under which it
was received. In addition, after a new version of the Agreement is
published, Contributor may elect to distribute the Program
(including its Contributions) under the new version. Except as
expressly stated in Sections 2(a) and 2(b) above, Recipient receives
no rights or licenses to the intellectual property of any
Contributor under this Agreement, whether expressly, by implication,
estoppel or otherwise. All rights in the Program not expressly
granted under this Agreement are reserved.

This Agreement is governed by the laws of the State of New York and
the intellectual property laws of the United States of America. No
party to this Agreement will bring a legal action under this
Agreement more than one year after the cause of action arose. Each
party waives its rights to a jury trial in any resulting litigation.
