June 19th, 2015

Product Discontinuance Notification (PDN) No: DPG-PDM 2015-003

Subject: EOL Notification for Part Number 2N3811 (MIL- PRF-19500/336) – All Quality Levels

Description:Microsemi is announcing the discontinuance of all related part numbers to 2N3811 that are currently being offered by Microsemi Coporation. The products affected by this PDN are being discontinued and will no longer be available from Microsemi Corporation.

Please note this PDN does NOT affect the supply of 2N3810 (also listed in MIL-PRF-19500/336) and associated quality levels.

Reason for Discontinuance: The reason for the discontinuance is due to low customer demand and ongoing technical difficulties in fabricating the source die for 2N3811.

Customer Impact: Microsemi has limited stock of the part numbers affected and will not be in a position to offer LTB other than what is listed in the attached. Please place your orders promptly for this limited supply.

Replacement Parts: No replacement parts are being offered at this time, BUT part number 2N3810 and all variants are still available if they can be used

Last Order Date: N/A, see above

Last Shipment Date: N/A, see above

Products Affected by this Discontinuance: See Product Availability list below.
