

Microsemi Corporation

14th March 2017

Product Discontinuance Notification: PDN 2017-006

Subject: EOL Notification – HEX-Reg™ 5.1 Volt Zener Diode Array SM16Z4689 e3

Description: Microsemi is announcing the discontinuance of select products that are currently being offered by Microsemi Discrete Product Group (DPG). The products affected by this PDN are being discontinued and will no longer be available from Microsemi.

Reason for Discontinuance: The manufacturing capability for this part numbers is no longer available; Microsemi is unable to purchase additional wafers therefore further production of this family is not technically feasible. Immediate discontinuation of this product must be implemented. Microsemi apologizes for any inconvenience this situation may cause our customers, but unfortunately the normal last time purchase & last time shipment periods can not be offered. Customers should contact their Microsemi sales representative as soon as possible to discuss how Microsemi may be able to support specific customer needs with the limited remaining product inventories.

Customer Impact: N/A

Replacement Parts: There are no direct replacements for these

Last Order Date: Immediately subject to availability

Last Shipment Date: 30th April 2017

Products Affected by this Discontinuance: SM16Z4689 e3
