As of November 1, 2009, the new Libero Standalone (SA) part numbers must be used.

Libero SA Licenses

- Support traditional Actel Designer functionality
 - Compile/Layout/Place/Route
 - MultiView Navigator
 - SmartTime and SmartPower
 - Program File Generation
- Include optional Libero® Integrated Design Environment (IDE) Project Manager, SmartDesign, and Actel IP Catalog including Libero Gold IP bundle as noted at <http://www.actel.com/products/ip/DirectCores.aspx>
- Expire annually. No separate maintenance service is used.

Existing Designer v8.x licenses do not expire and will continue to support Designer software up through v8.6. To support Libero/Designer software newer than v8.6, the appropriate Libero SA license from the above list must be purchased.

Regards

Actel
