Subject: Product Discontinuation Notice

PDN # 0502

The intent of this letter is to inform you of Actel's decision to obsolete the part numbers contained in Attachment A.

This letter serves as your notice that you will have twelve (12) months, or until supplies are exhausted, whichever comes first, in which to place last time buys, and an additional six (6) months to take receipt of that product. The key dates for the last time buy are shown below:

Last date for placing orders: June 30, 2006, or until supplies are exhausted, whichever comes first.

Last date for shipping orders: December 31, 2006

ITAR/Export License Required orders: Actel will not guarantee the availability of product, or reserve product for, any orders that have not had export licensing application paperwork submitted to Actel by September 30, 2006.

Every effort should be made to place last time buy orders in a timely manner and not wait until the last moment to place orders. If you anticipate that your last time buy requirements will exceed the current run rate, for specific devices, please provide your Actel Sales Representative with a forecast of the requirements.

Product may be limited in availability. Orders will be supported on a first come, first serve basis. Orders for these products will be non-cancelable and non-returnable.

Should you have any questions including product recommendations, please do not hesitate to contact your Actel Sales Representative.

Sincerely,

Actel Corporation
